A Room for Hope

How would you like to honor your loved one by giving someone “A Room for Hope”? For the price of \$60 for a month you will be able to help cover the cost of a room for cancer patients receiving outpatient treatment or parents of premature babies in the Neonatal Intensive Care Units. You will be helping the Family Home of Little Rock provide a room where they can hope for the future of being cured of cancer and where our parents of premature babies can be hoping their babies will be healthy and lead a normal life. Can you think of a better way to show your loved one than giving hope to someone else?

We will have name plates outside each door each month showing the sponsor’s name. We will also provide the guests staying in that room a note card to send the sponsor a thank you note.

This program allows for companies, individuals, groups or organizations to sponsor the cost of operating a room for a month for \$60.00. This sponsorship can be for any number of months, an entire year or an ongoing sponsorship of one or up to all 15 rooms we operate, for the time frame you choose.

All our guests are referred and approved for lodging at the Family Home by a social worker of the hospital under the guidelines on the income requirements of the federal SNAP program for a family of 4. In 2017 we have helped over 125 families and they spent over 3,102 nights with us. Over 45 babies, including 3 sets of twins, were born to parents staying with us. On January 1, 2018, we celebrated our 15th year of operation, and have been able to help more than 4,350 families from over 35 states and 5 foreign countries. We truly are the house that love built!
