MISSION

The mission of Parents and Friends of Children and Adults, Inc. WHO CAN STAY

Cancer patients receiving out-patient treatment at the Cancer Institute and who live outside a 50-mile radius of Little Rock and neonatal parents must have a baby in the intensive care unit at UAMS or Arkansas Children's Hospital. ALL GUESTS MUST BE REFERRED BY THE SOCIAL WORKERS AT THE CANCER INSTITUTE OR THE NEONATAL UNIT.

COST TO STAY

FUNDING

We are entirely dependent on donations and our fundraisers - The Family Home Golf Classic and the Tiny Hands Monster Bash.

ONGOING BRICK PAVER PROJECT

\$100 per brick which can be inscribed in honor or memory of someone.

A ROOM FOR HOPE

This initiative allows for companies, individuals, groups or organizations to sponsor a guest's room and help cover the expenses in honor or memory of a friend or loved one.

STATISTICS

Since we opened in 2003, we have lodged almost 5000 Cancer patients, their caregivers, and parents of babies in the NICU. We have had almost 700 babies born to these parents including more than 59 sets of twins and 9 sets of triplets.

We have had patients from over 35 states and 7 foreign countries, including Bangladesh, Nepal, Trinidad, Uzbekistan and Zimbabwe. In 2019 we lodged over 240 families for over 2158 room nights, saving them over \$300,000.

The **Winthrop P. Rockefeller Cancer Institute Auxiliary Cancer Support Center** housed in the UAMS Family Home hosts support groups, activities and entertainment for patients in the house and cancer patients in the metropolitan area.
