

THE FAMILY HOME  
OF LITTLE ROCK

## A Room for Hope

How would you like to honor your loved by sponsoring "A Room for Hope"?

The sponsorship will help cover the cost of a room for cancer patients receiving outpatient treatment or parents of premature babies in the Neonatal Intensive Care Units. You will be helping the Family Home of Little Rock provide a room where they can hope for the future of being cured of cancer and where our parents of premature babies can be hoping their babies will be healthy and lead a normal life.

On the outside of each door will be a nameplate showing the sponsor's name.

We will also provide the guests staying in that room a note card to send the sponsor a thank you note.

Promisely, this initiative allow companies, individuals, groups or organizations to sponsor the cost of operation for a room. This sponsorship can be for any number of months up to an entire year. The sponsorship can also be for one room up to all 15 rooms we operate, for the time frame you choose.

Each of our guests are referred and approved for lodging at the Family Home by a social worker of the hospital under the guidelines on the income requirements of the federal SNAP program. In 2019, we lodged over 240 families for over 2158 room nights. On January 1, 2020, we celebrated our 17<sup>th</sup> year of operation, and have been able to help more than 4,350 families from over 34 states and 4 foreign countries. We truly are the house that "HOPE" built!
